Oleksandr Serhiienko

Junior Front-end Developer

Personal summary

Hello! I'm Sasha - a self-educated and enthusiastic front-end developer based in Kyiv, Ukraine.

I consider myself as a person who always moves forward to new opportunities, knowledge and experiences that is why I am extremely interested in web development, which has already equipped me with skills and attitudes required for a successful professional career. I am keen to gain more experience in the field. For this reason, I am looking for a company willing to offer me a placement among their developers.

In return, I would offer my full commitment, and be a pleasant and friendly addition to your team. I am therefore currently looking for a job as a front-end developer.
